Subject: CRRM Refinery Plant Visit

John,

EPA R7 is planning to visit the Coffeyville Refinery tomorrow morning, January 4th. Jeremy Meeks and myself will be leaving from the EPA Regional Office early in the morning. When we arrive at the main office, we will ask for you. If you are unavailable, we will ask to be escorted by other available environmental refinery personnel. The purpose of the visit is to gather some information and to inspect some items at the refinery to determine compliance with the CAA.

Regards,

Bill Peterson, P.E.
